Additional Access to the Newsletter Now Available

I have received the recommendation to put the newsletter in a binder and put it on a table in the common area so that people can sit and read the newsletter at their leisure. I think this is a great idea. And so, there will now be a newsletter Binder in the common area by the mail boxes for tenants to read when they have time, so they don't have to stand and read the whole thing. I will still have the newsletter posted on the wall, and it will still be available online, via email, and I will still have 15 copies posted at the start of the month. Please be respectful of other tenants and put it back when you are done with it. Additional information/documents may also be put in the newsletter binder for your reference and convenience.

Bus Route Changes Effective August 1st

GO Transit plans to make several changes to the bus routes in Oshkosh that will be taking effect on August 1st, 2024. The changes will effect Routes 2, 3, 4, 5, and 7. Because there are so many changes and each one has specific details, I have printed off the detailed PowerPoint provided by GO Transit. This printout will be in the new binder behind this month's Newsletter. Please refer to it if you questions regarding specific changes to a route that you frequent.

In addition to these changes, GO Transit plans to increase the cost of their fares by the end of this summer.

- One-way trips will cost \$2.00
- Senior and Disabled costs will be \$1.00
- The monthly pass will cost 40.00, and there will be a day pass for \$4.00.

Bed Bug Canine Inspections For June:

To stay on top of the Bed Bug issue, we will be continuing to have the dogs come in for 2 floors every 4th Wednesday of each month at 8:00am.

We will be having the 5th and 6th floors checked on June 26th, 2024 at 8:00 am

*Please make sure that any pets are safely contained in the bathroom, or outside of the unit during the inspection. If you used **any** pesticides you **must** report it to the Inspector*

June 10th is National Bed Bug Prevention Day

Given our Buildings history with these nasty critters, please review these steps to preventing Bed Bugs:

- Do not buy used furniture, NEVER pick up furniture off the side of the road.
- Check hotel rooms when you travel and always wash all your clothing upon returning from a hotel/motel
- Put door draft stoppers on the bottom of your door
- Use protective covers on your box springs and mattresses for quicker discovery/identification
- Reduce clutter, especially Cardboard, they can survive heat treatments in cardboard
- Vacuum frequently
- Be on the look out when/if you use shared laundry facilities
