NAMI Oshkosh is sponsoring Mental Health First Aid training. This skills-based course gives people the tools to identify, understand and respond to someone who might be struggling with a mental health or substance use challenge - and connect them with the appropriate support and resources when necessary.

The training will be taught by Anita Kinsley, a certified Mental Health First Aid Instructor. Anita has spent 44 years working in behavioral health, both in service as well as university based education. While Anita loves providing service and administering programs, her passion is teaching and behavioral health advocacy. She recently moved to Oshkosh from Pennsylvania.

Training materials lunch, snacks and beverages are provided by NAMI Oshkosh.
